

I support and listen to 106.7 almost everyday. It serves this community in a wholesome ,positive,uplifting manner that no other program could do. Please do not subject K-Love listeners to the negative broadcasting of any other replacement. I don't ever have to worry about what my grandchildren will hear when I turn on my station 106.7. I'm sure there are thousands of other grandmothers that feel the same way. Our children learn what they hear, Please allow them something decent to listen to. Thank you, Tammy Mummau
